

AJOVY[®]

(fremanezumab-vfrm)
injection 225 mg/1.5 mL

- The maximum copay assistance for the AJOVY Savings Card in 2026 is as follows:
 - Prescriptions covered by the primary insurance will receive a maximum benefit of \$3,500.
 - Prescriptions that are not covered by the primary insurance will receive enough benefit to lower the patients' final out of pocket cost to \$250 per injection with a limit of 3 injections per year.
- The maximum copay assistance for the AJOVY eVoucher Program in 2026 is as follows:
 - Prescriptions covered by the primary insurance will receive a maximum benefit of \$3,500.
- This benefit is available until 12/31/2026.
- Copay assistance will not exceed the patient's maximum yearly out-of-pocket responsibility by their insurance provider.
